Genuine Parts Credit Union now offers Self-Service Savings Deductions

Note: You must have a credit union account before setting up your savings deduction!!!

The credit union has added this feature so members can have more control over their savings. Members can select the amount of their payroll deduction savings as well as when their deductions start or stop. Members can also change the amount of their deduction at any time.

Instructions for starting, stopping or changing savings via payroll deduction:

Log in to GPC Connect. Under the Resources tab select My Personal Information. Select My Genuine Parts Credit Union Savings. Select My GPCU Savings Contributions. Click 'Edit Amount'. Enter the 'Date Effective' and 'How much do you want to save?' When done click 'Save'. A 'Saved' message will appear. Click 'OK'.

Members can also contribute to their credit union share savings account via direct deposit.

Instructions for starting, stopping or changing savings via direct deposit:

Log into GPC Connect. Under the Pay & Rewards tab select Pay. Under Quick Links select Enroll in or Change Direct Deposit. Select or enter the following:
Account Type: Savings *Routing No.:* 261072479 *Account No.:* Six digit account number

Genuine Parts Credit Union now makes it easier than ever for members to save. The choices are Payroll Deduction, Direct Deposit or simply sending a deposit via inner-office mail or the USPS.

Genuine Parts Credit Union offers one of the highest dividend/interest rates available anywhere! (Total deposits per calendar quarter are limited to \$5,000 with an account maximum of \$75,000).

Genuine Parts Credit Union: "A *GENUINE DIFFERENCE*"
